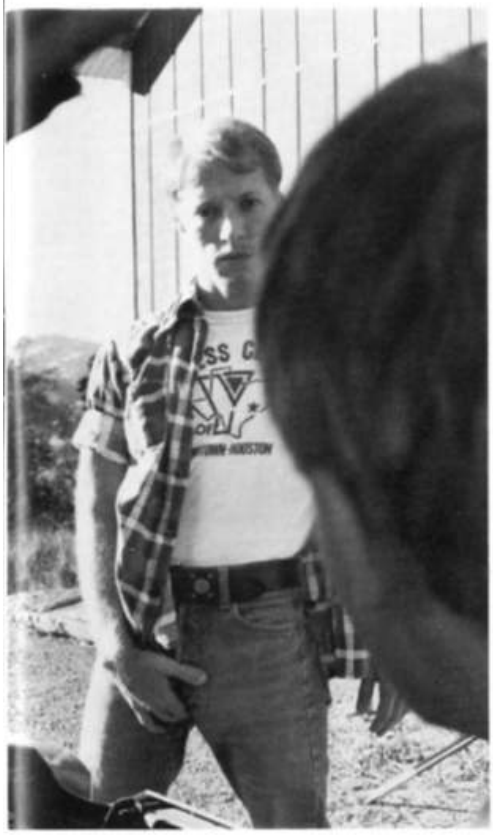
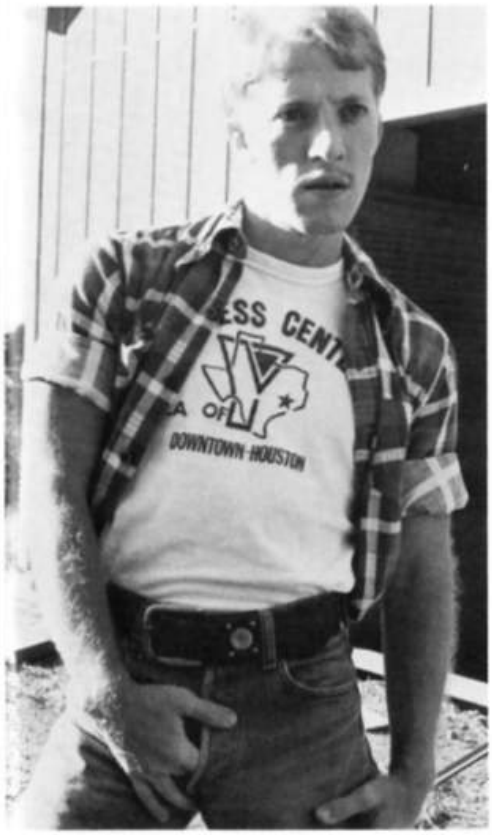
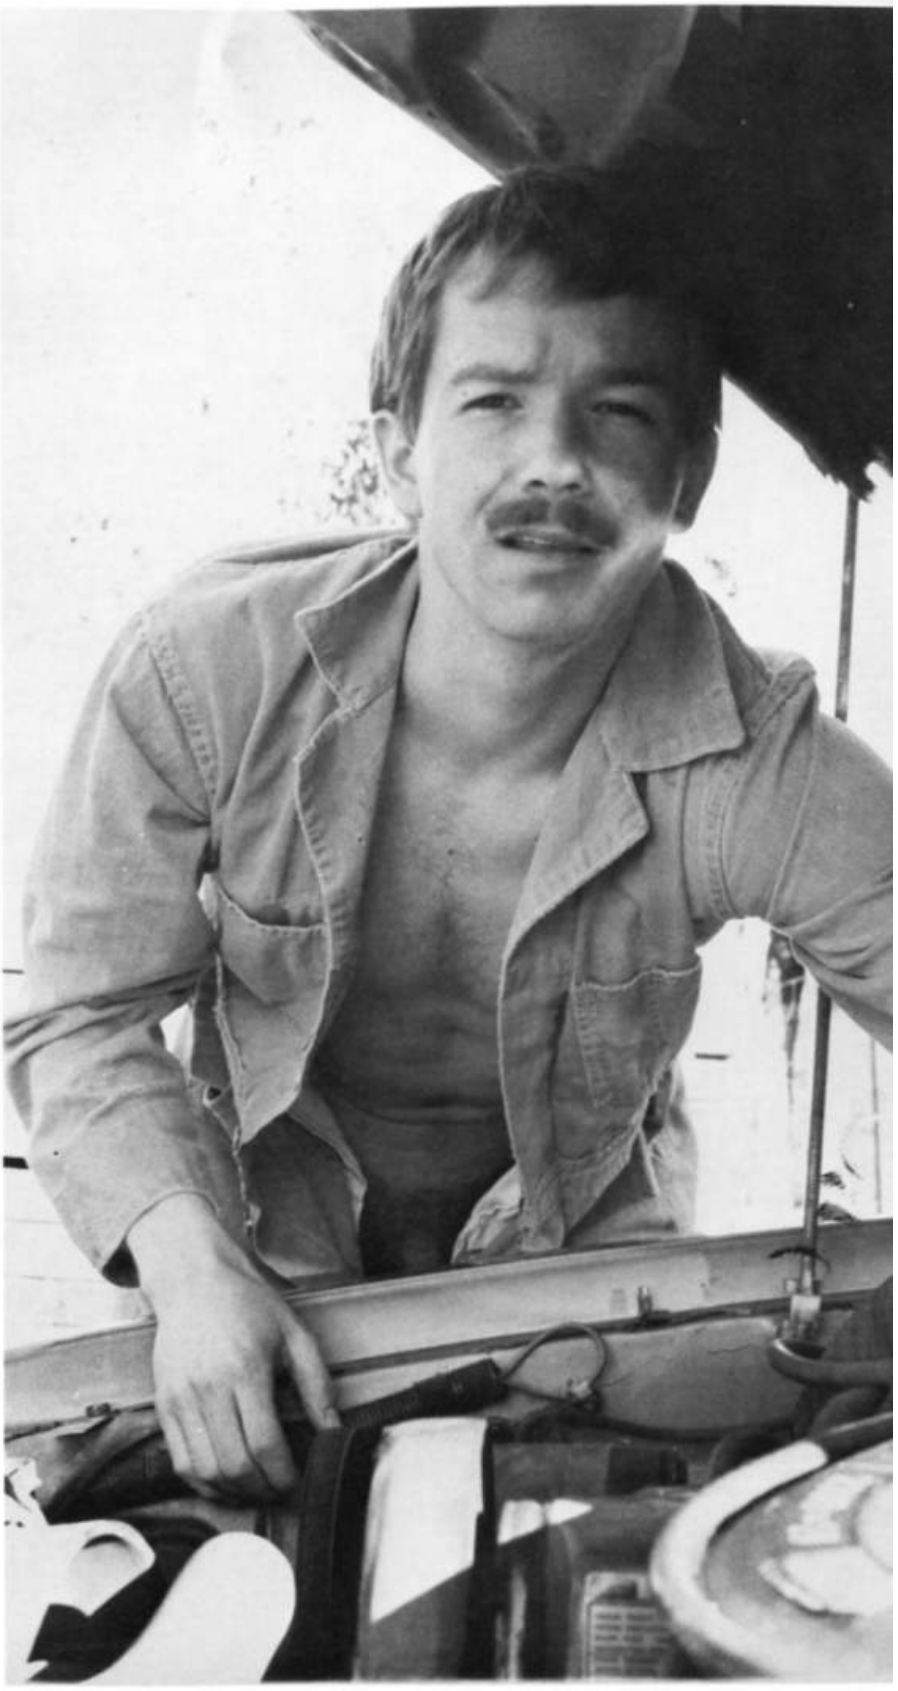
Are you one of those guys who has a steaming dick 24 hours a day, 7 days a week? Well, this funky pictorial was created just for you super horny studs. It belongs there, right next to your bed . . . alongside your amyl, toys, mineral oil, lube and cumrag! So slip on that cockring, also plug into these hot pages of horny guys meating 'n' making it! All you need is an over-endowed filthy/funky imagination, and perhaps some tripy smoke before you plunge in . . .!!

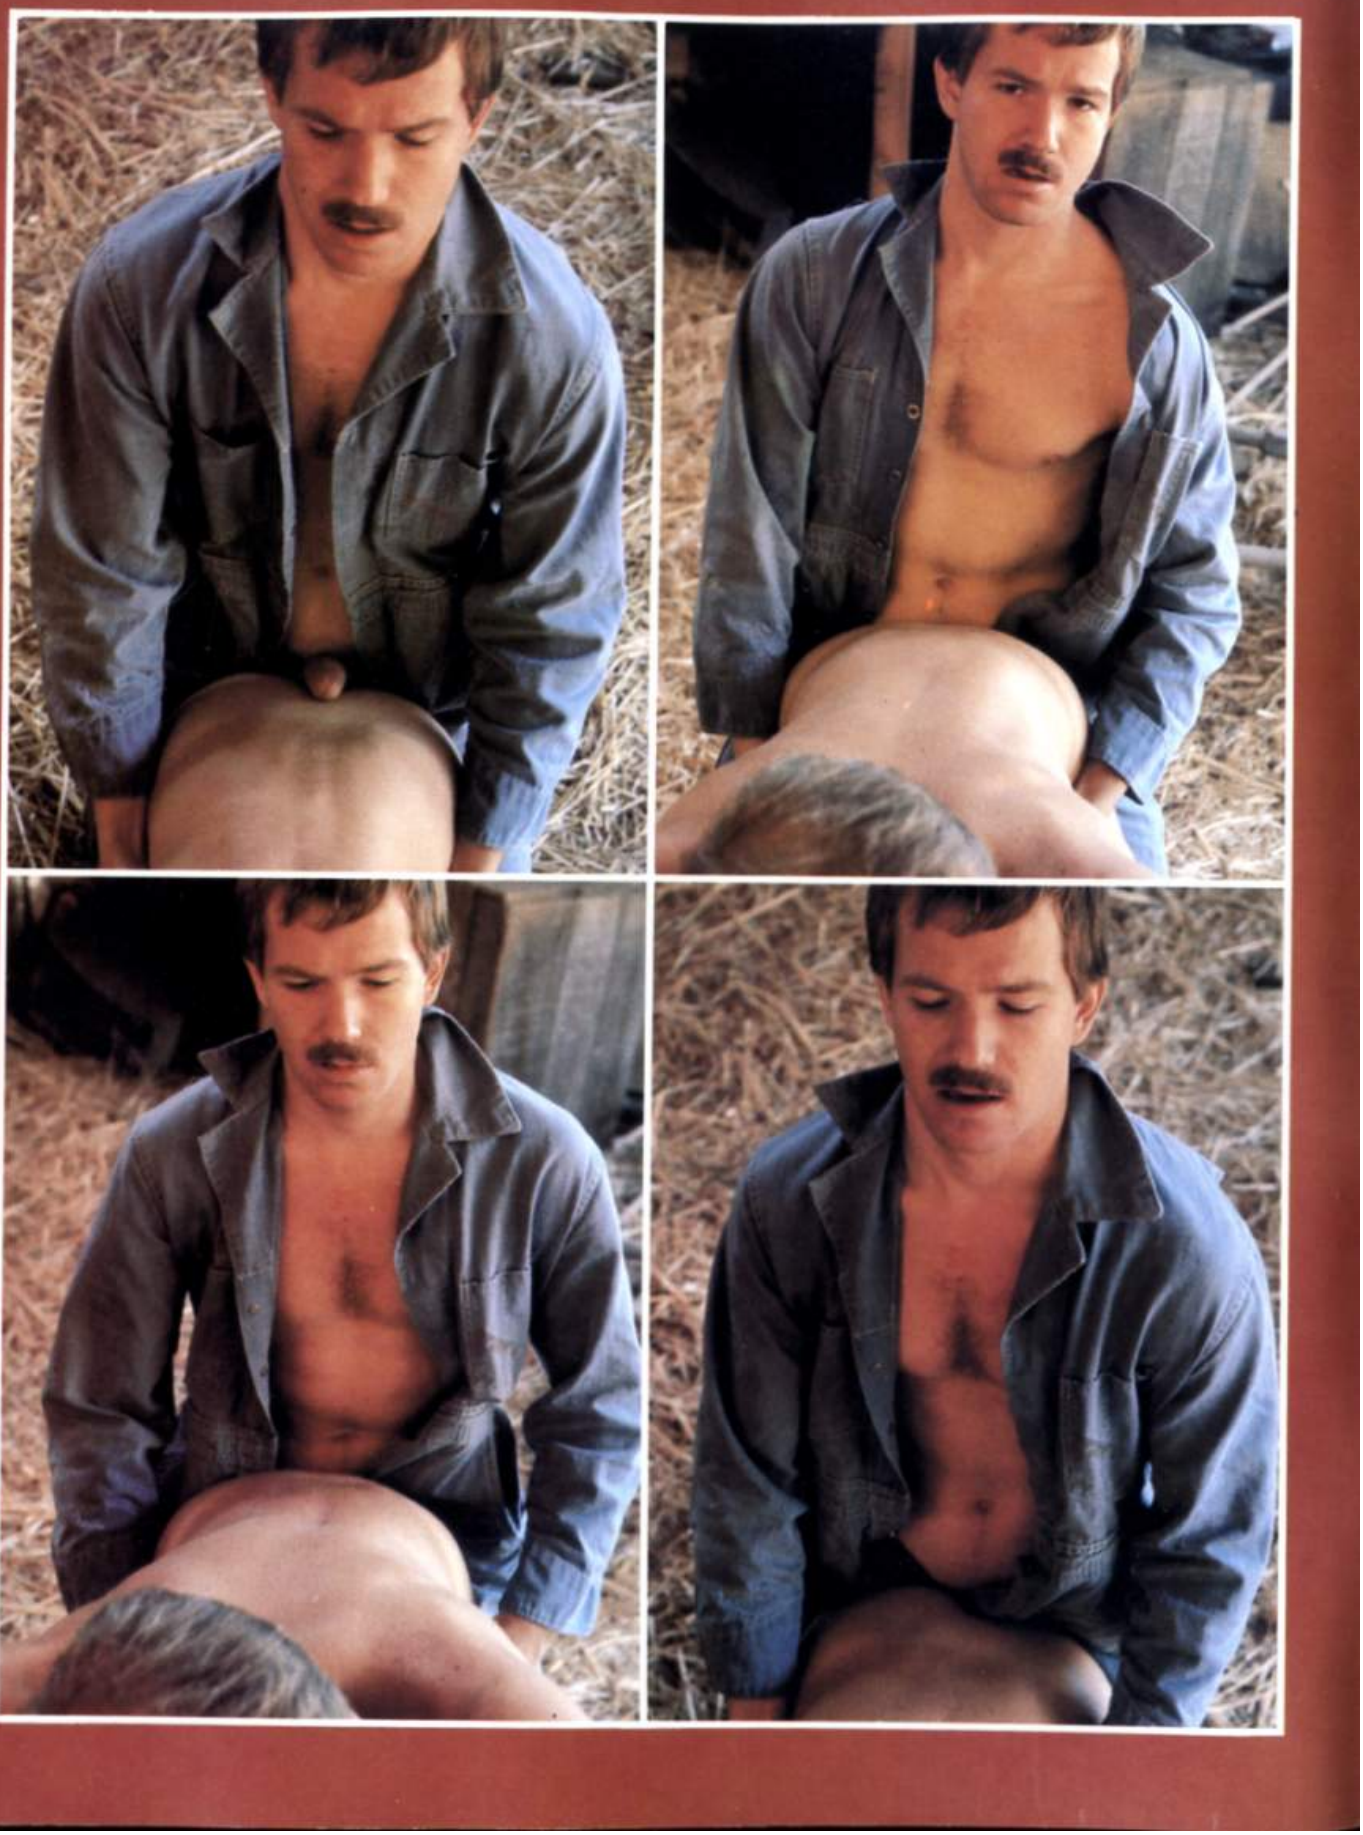
The first set of pics show what happens when Moose Malone, hitch-hiking one warm day, stops by a roadside filling station and catches Rod, the horny, sweaty mechanic, alone! After some raunchy preliminaries, the two guys head for the storage shed . . . where lunch is 10 inches . . . and HOT!!

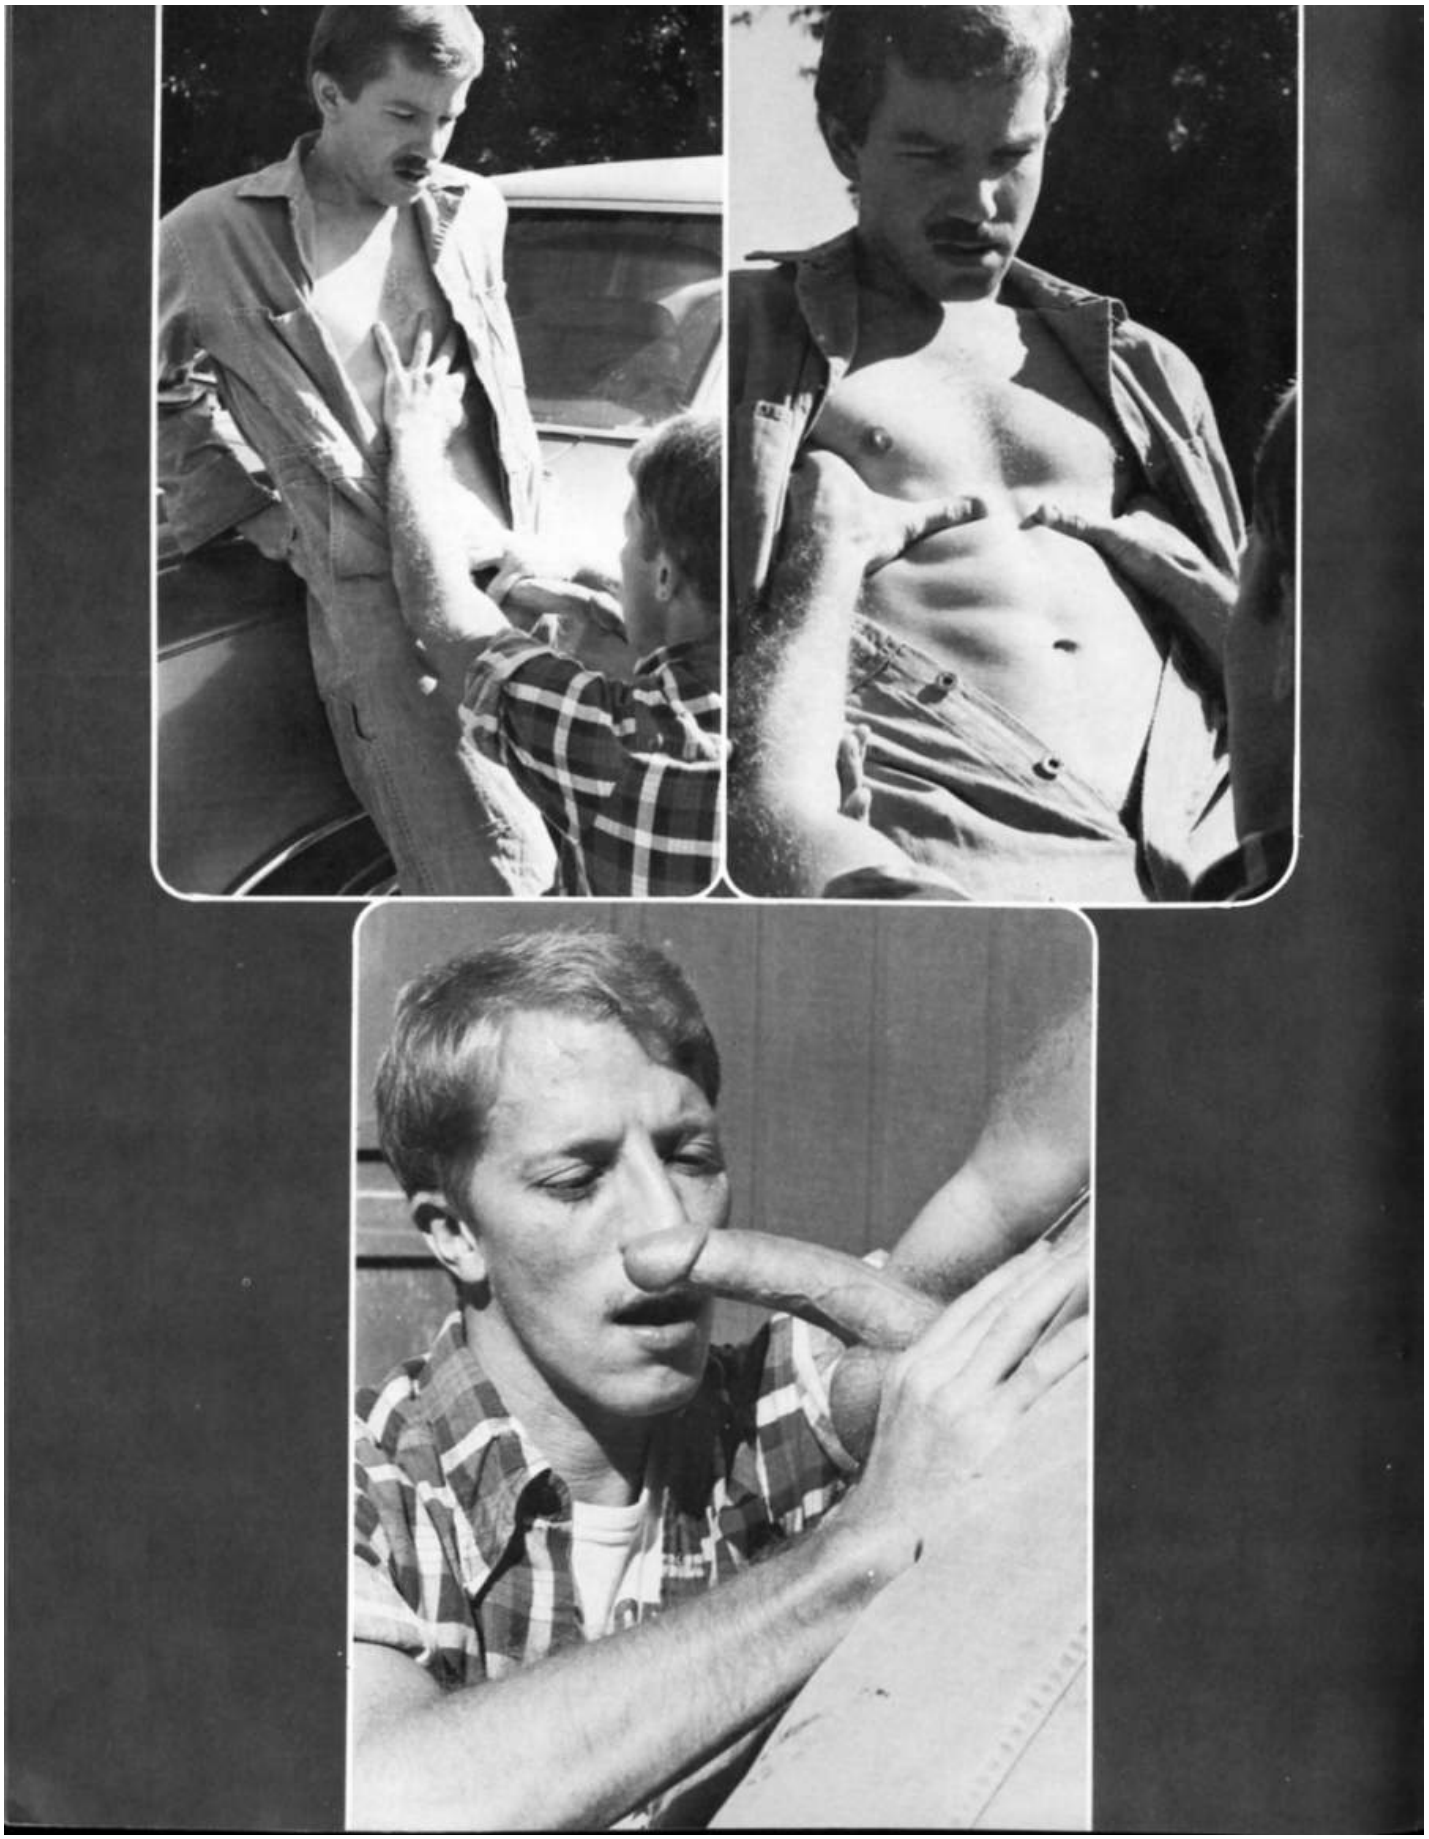


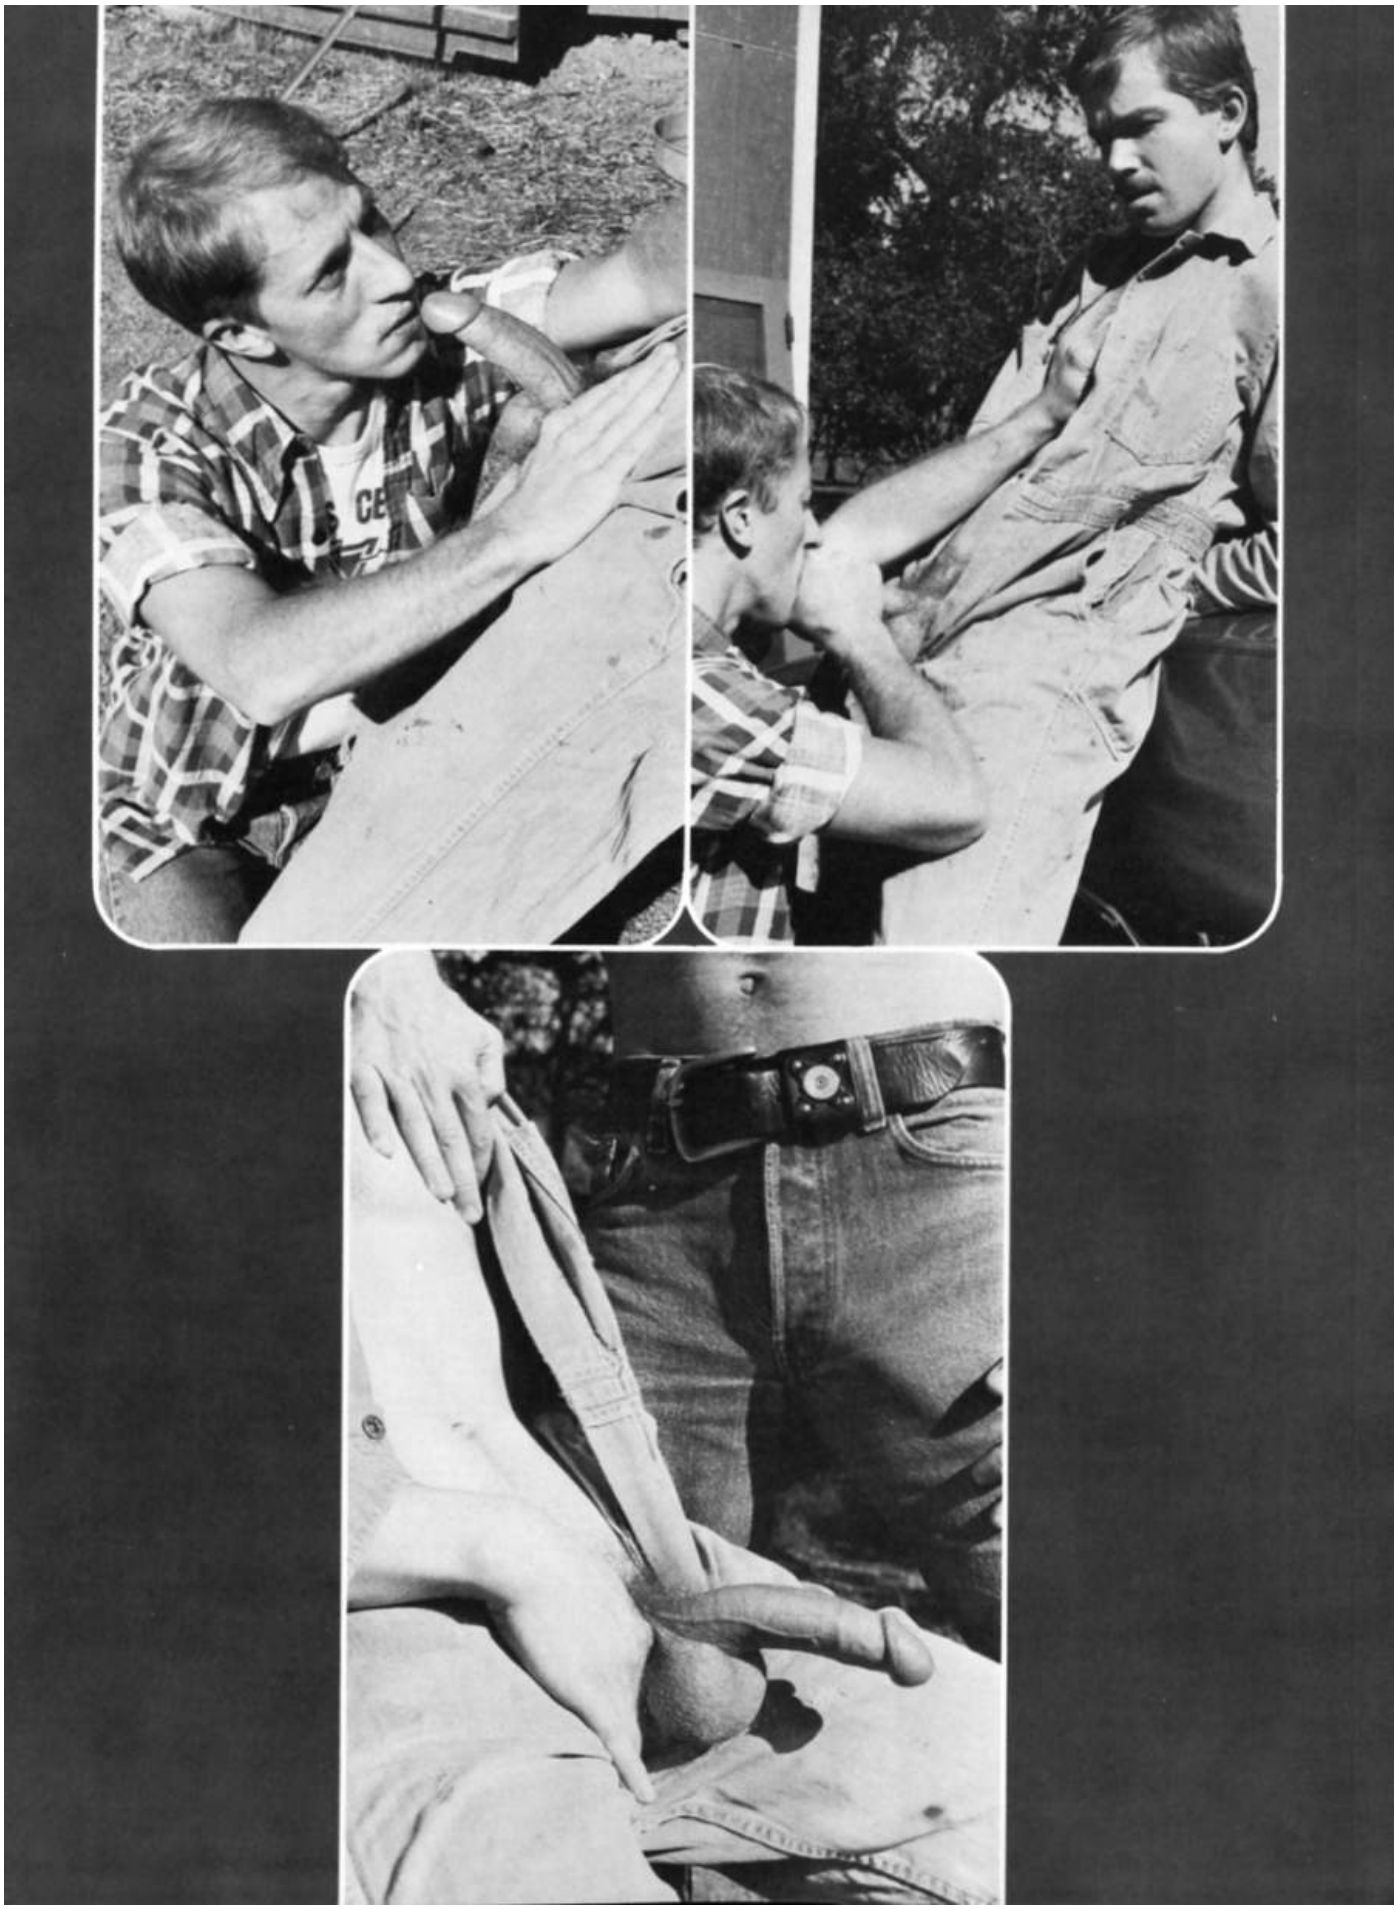


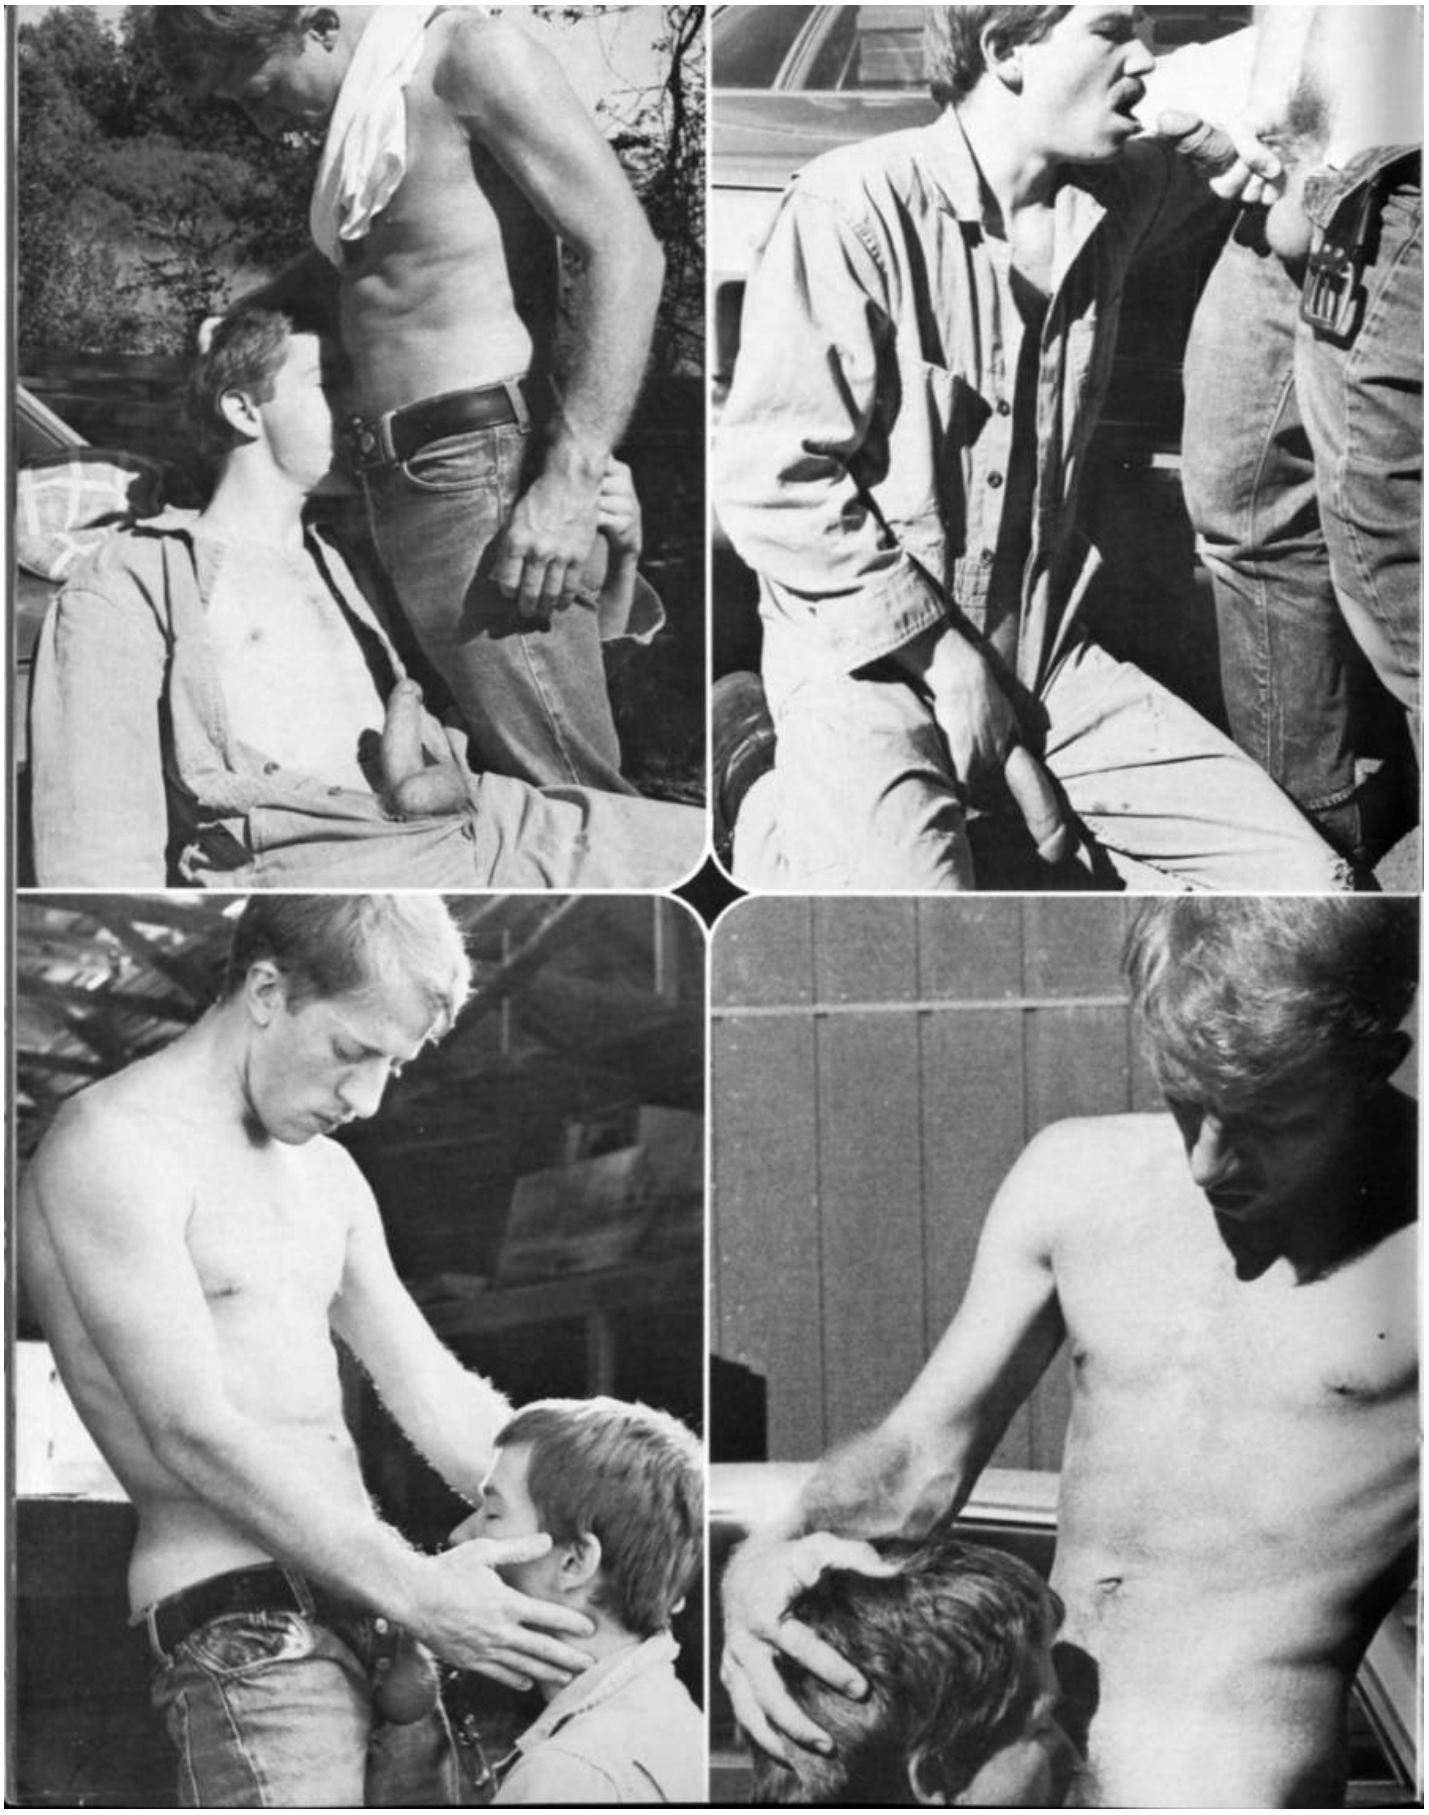
DOWNTOWN-HOUSTON

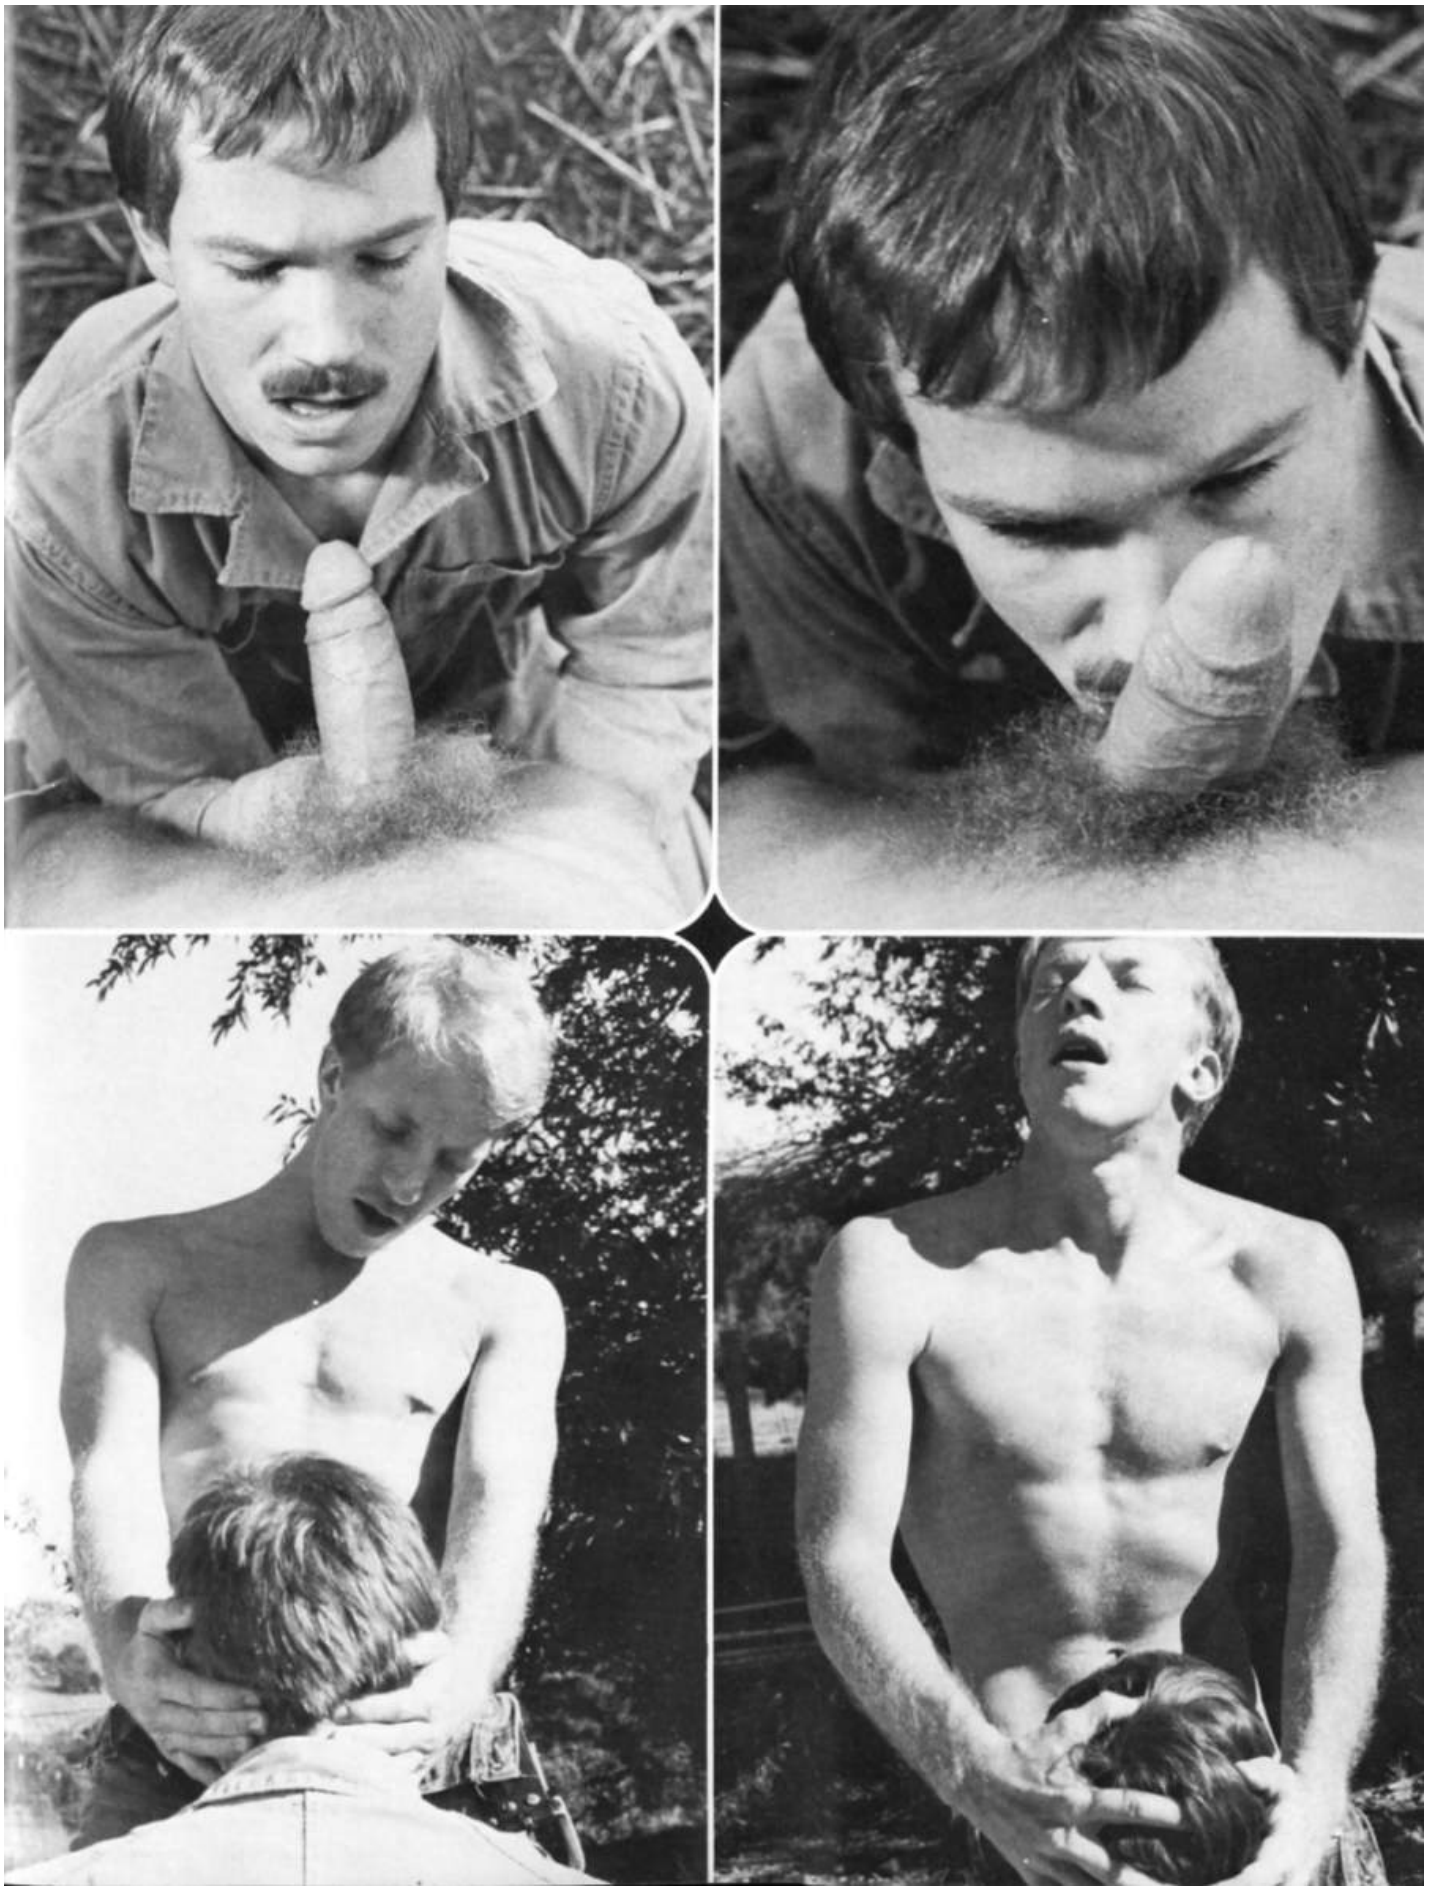


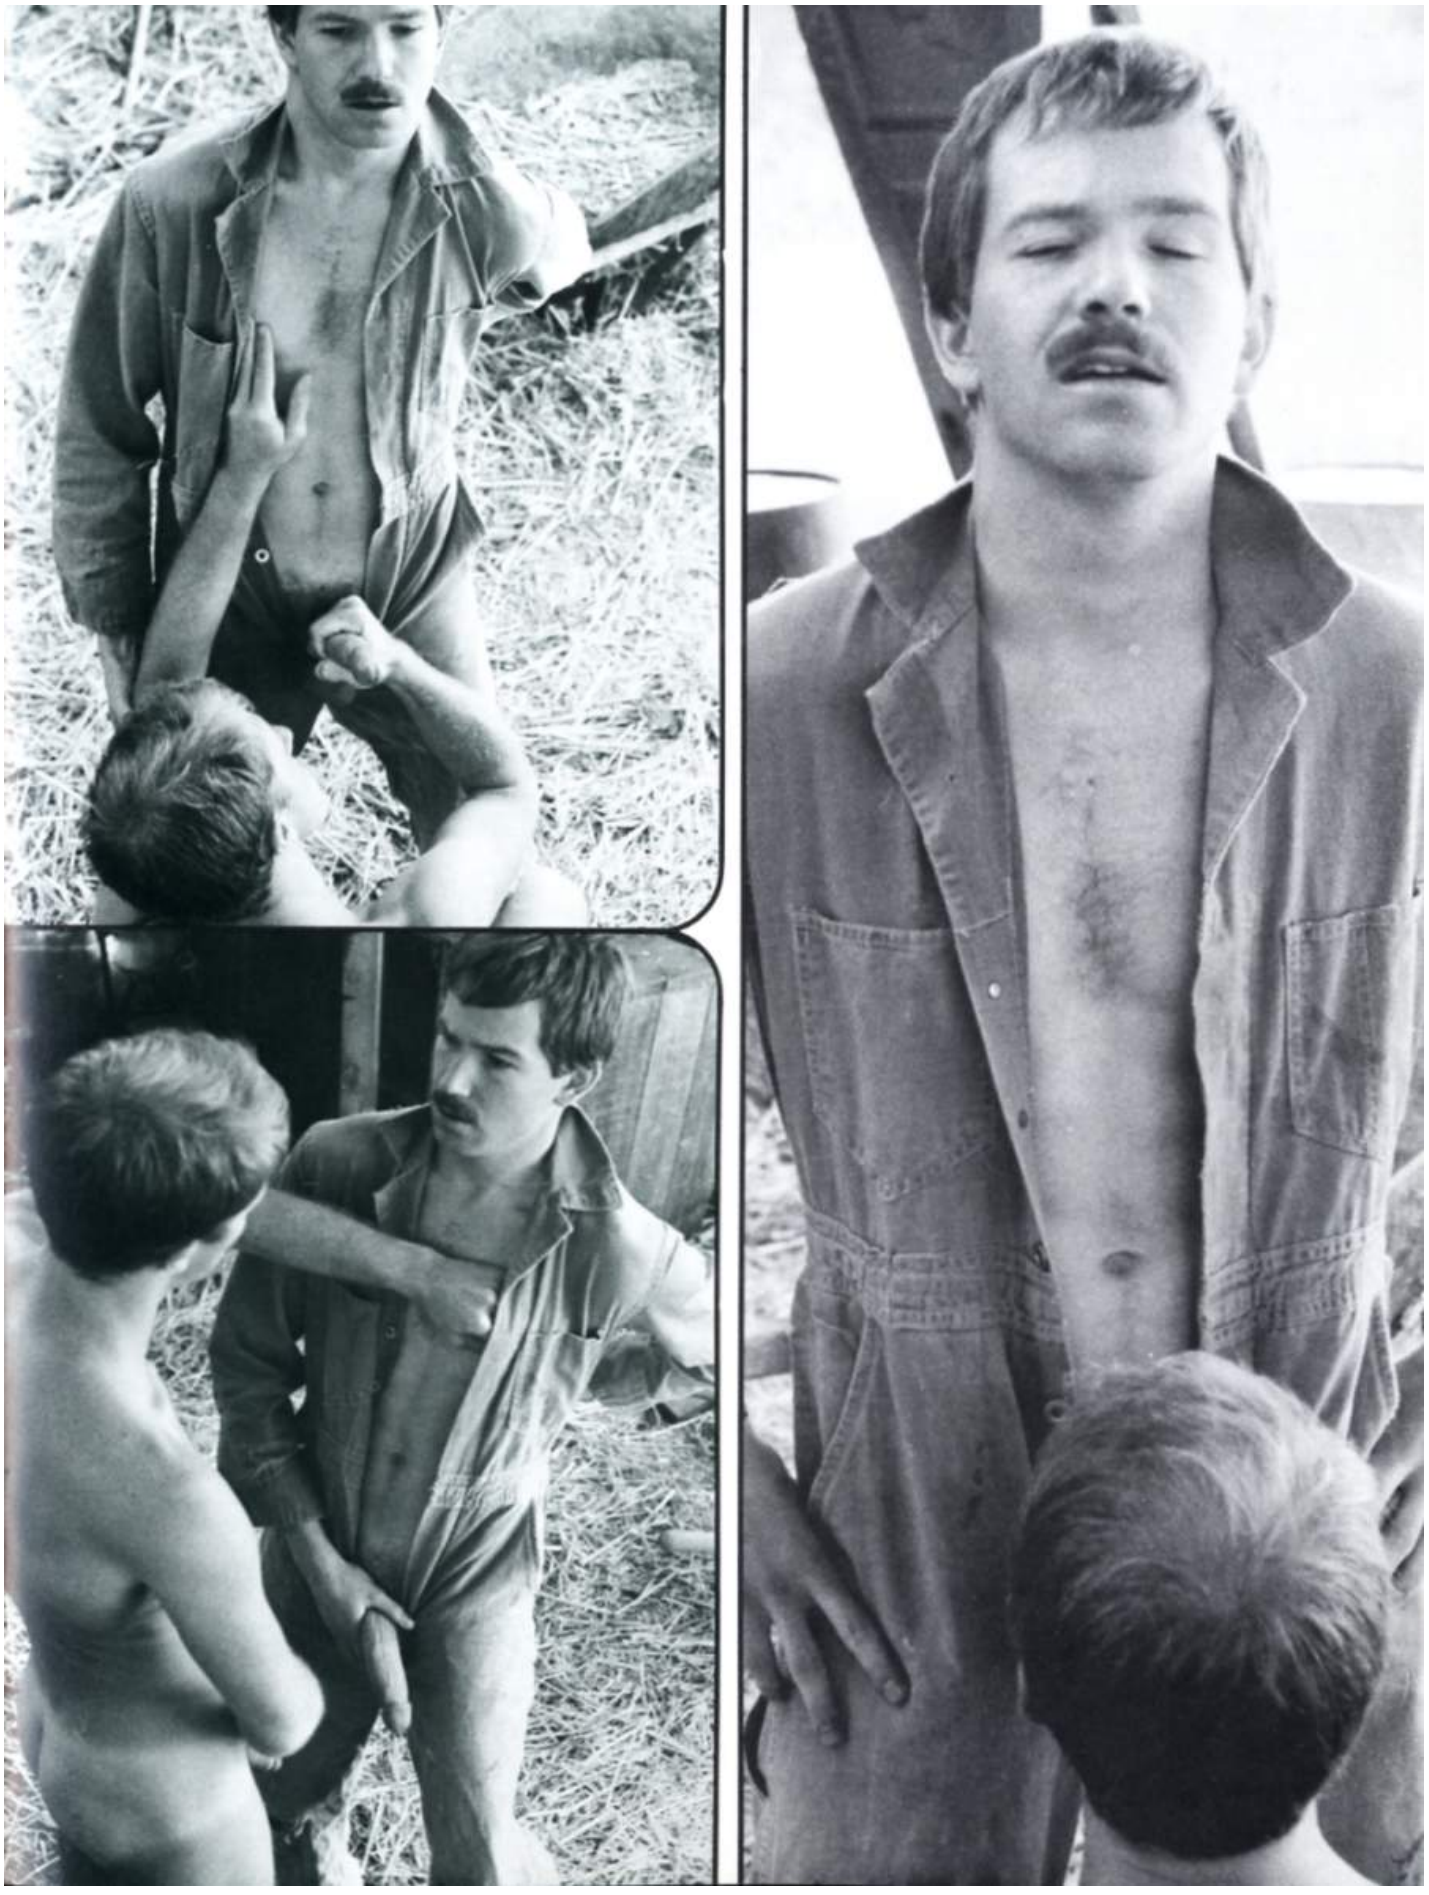


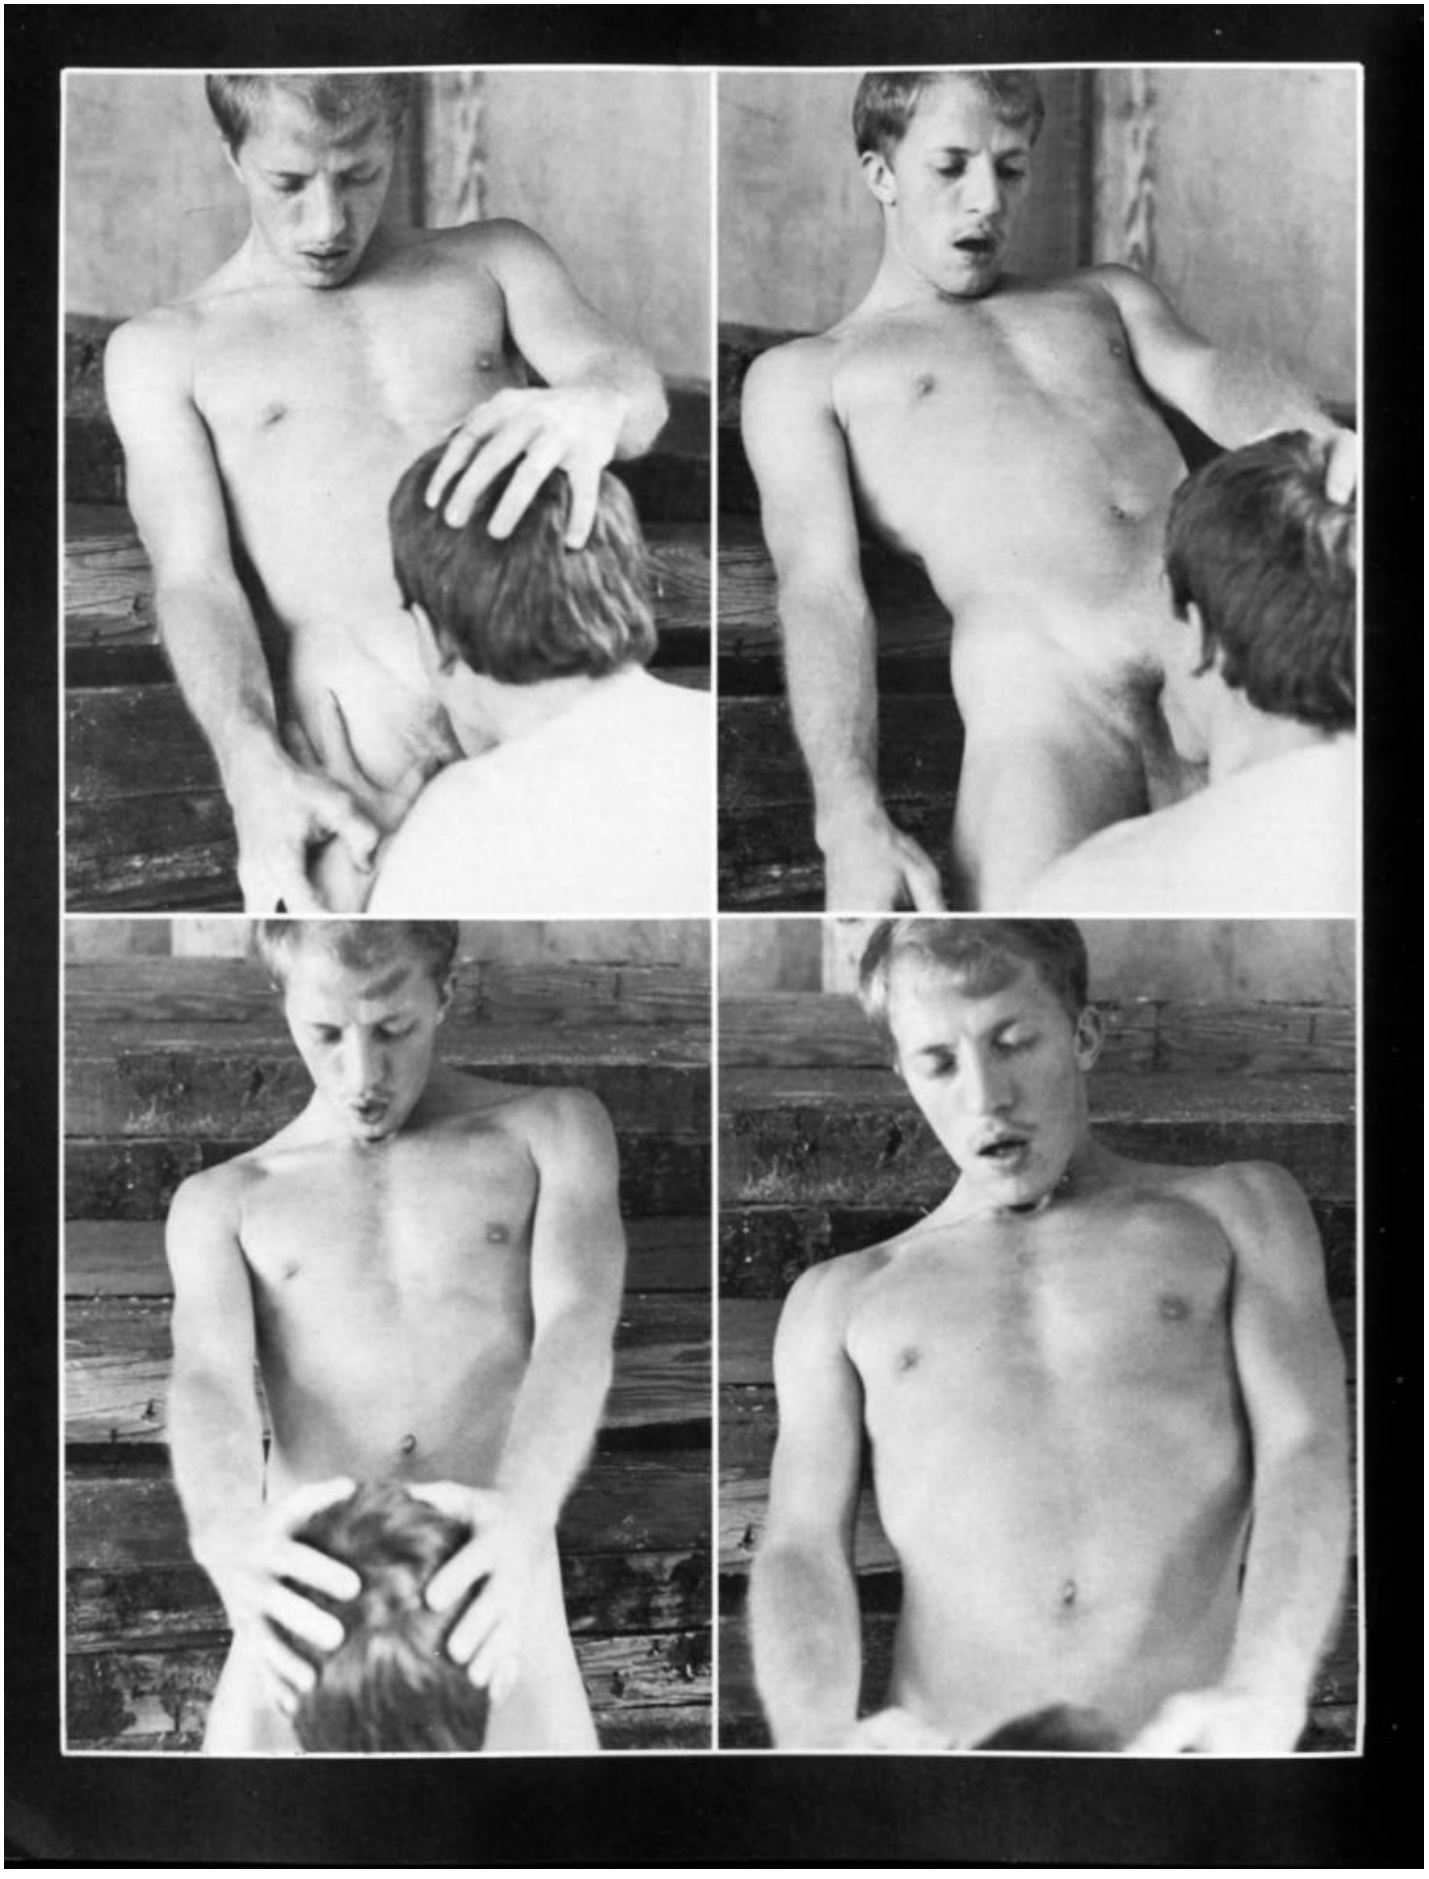


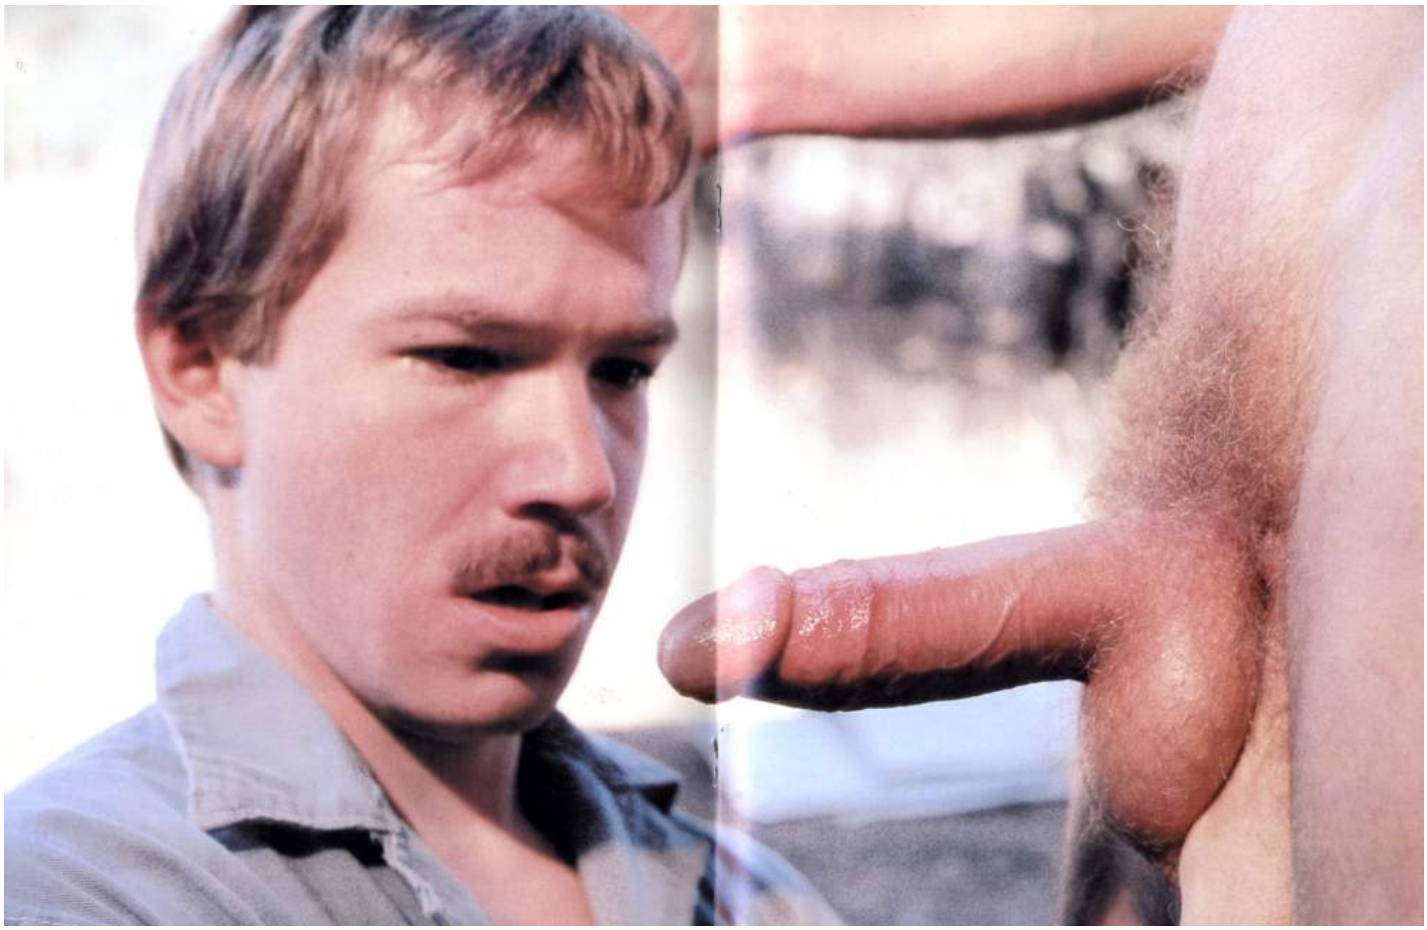


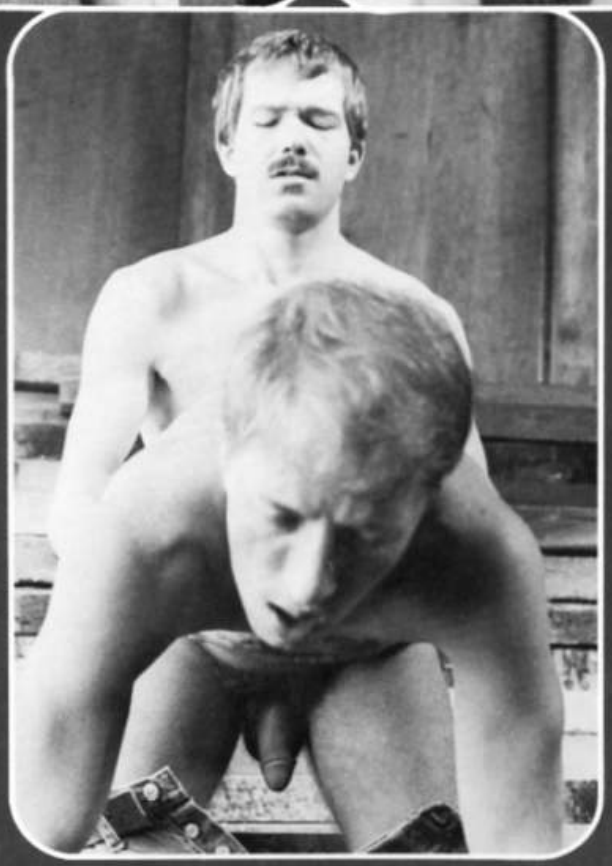


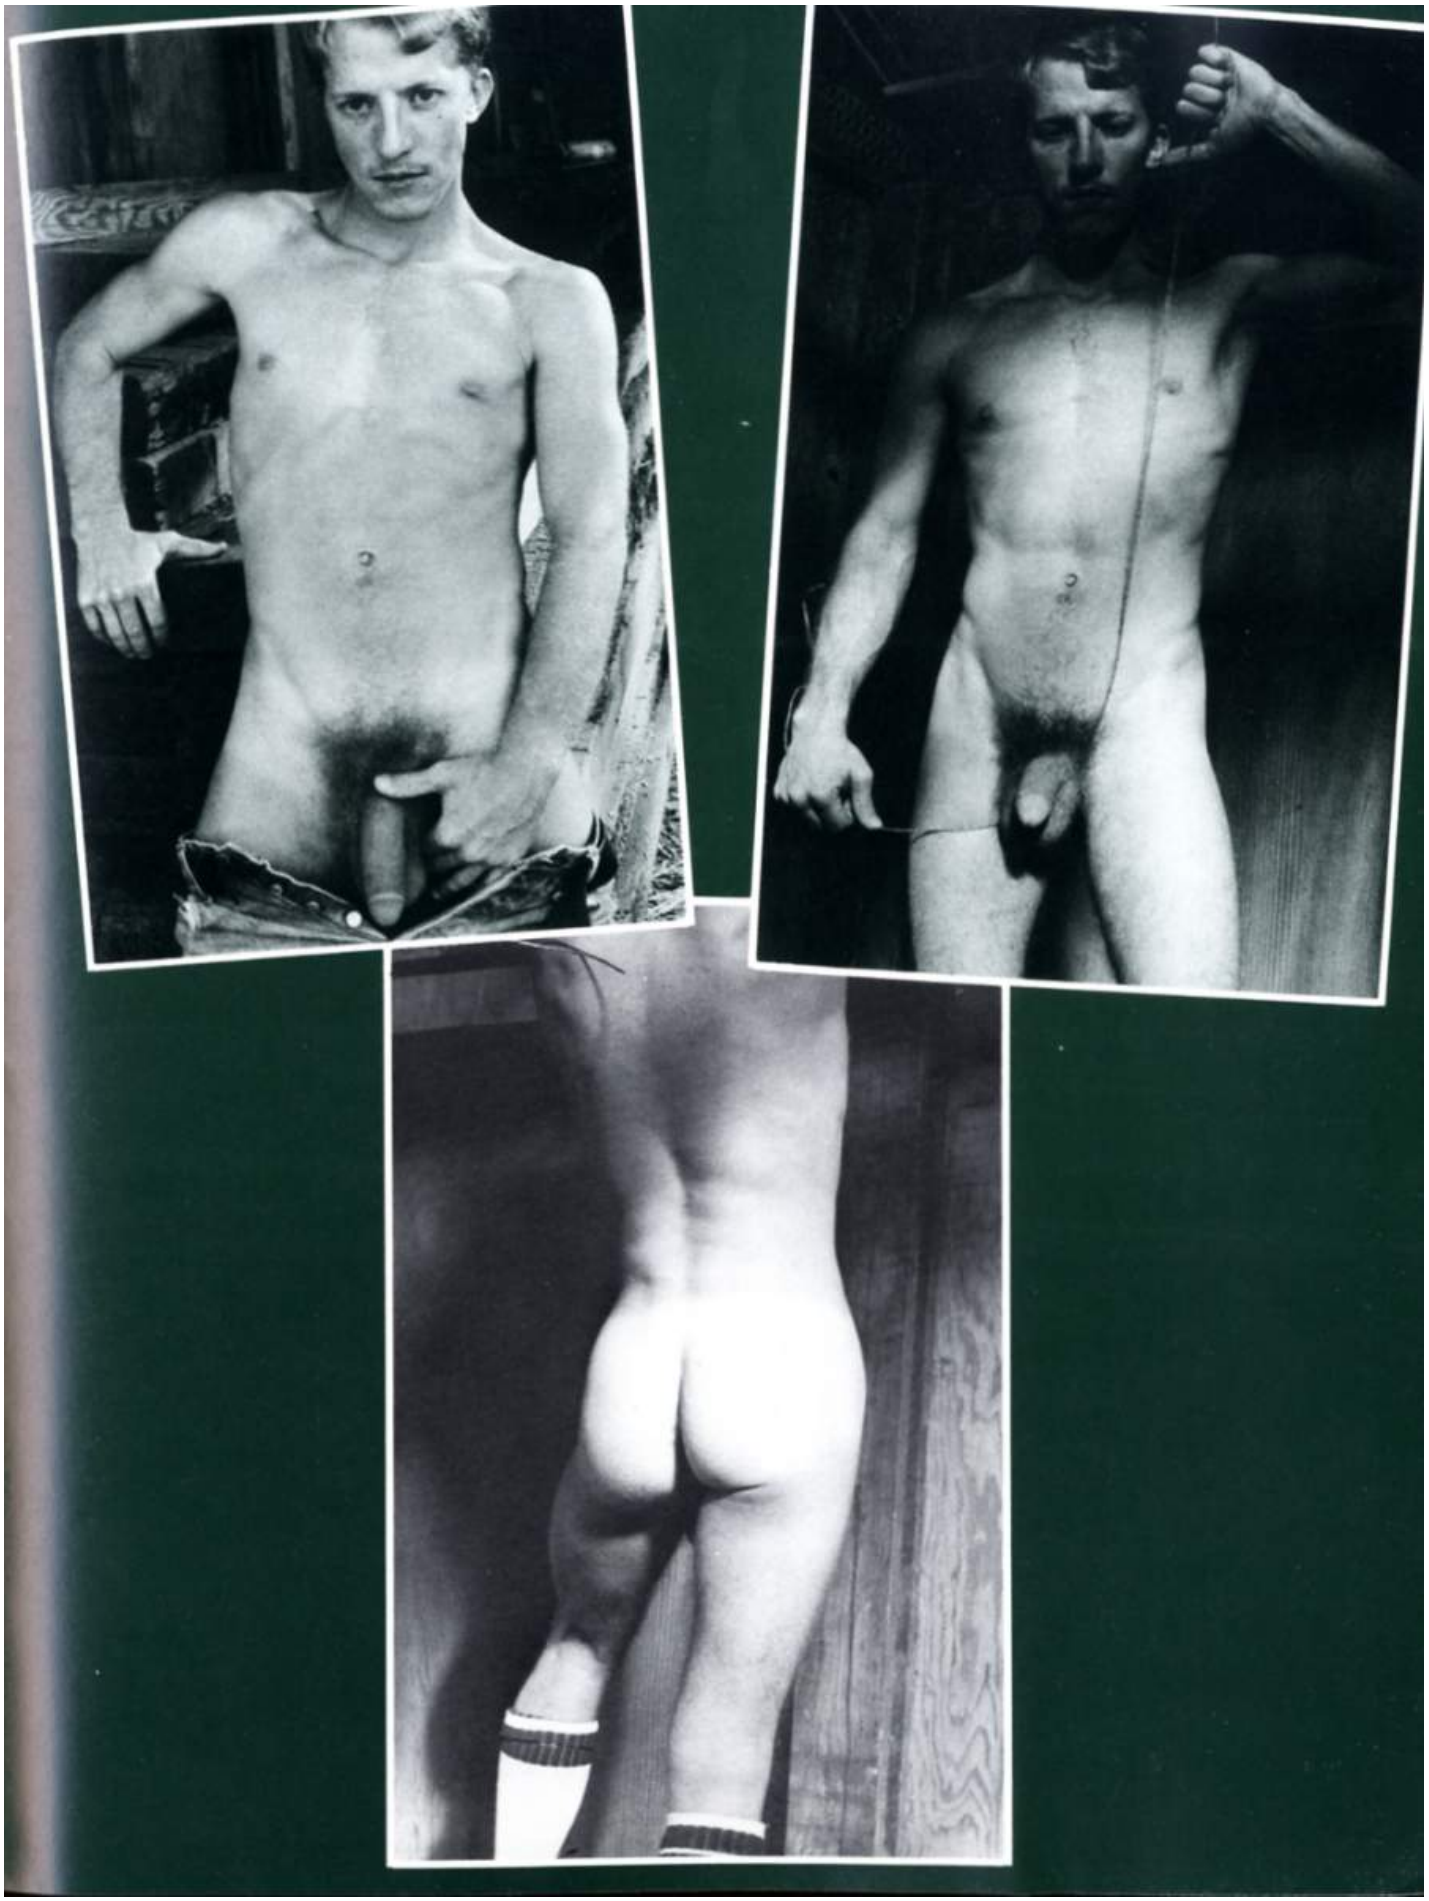




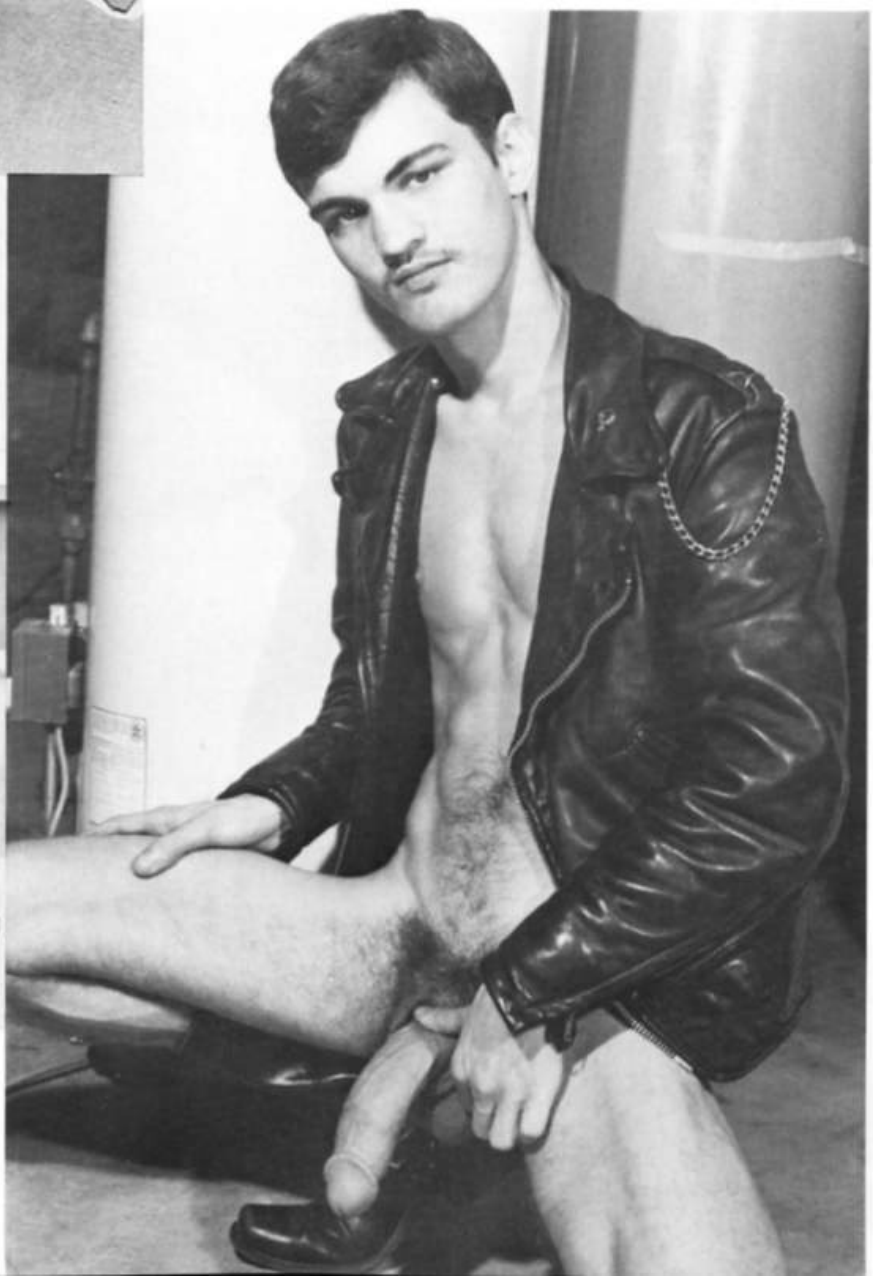


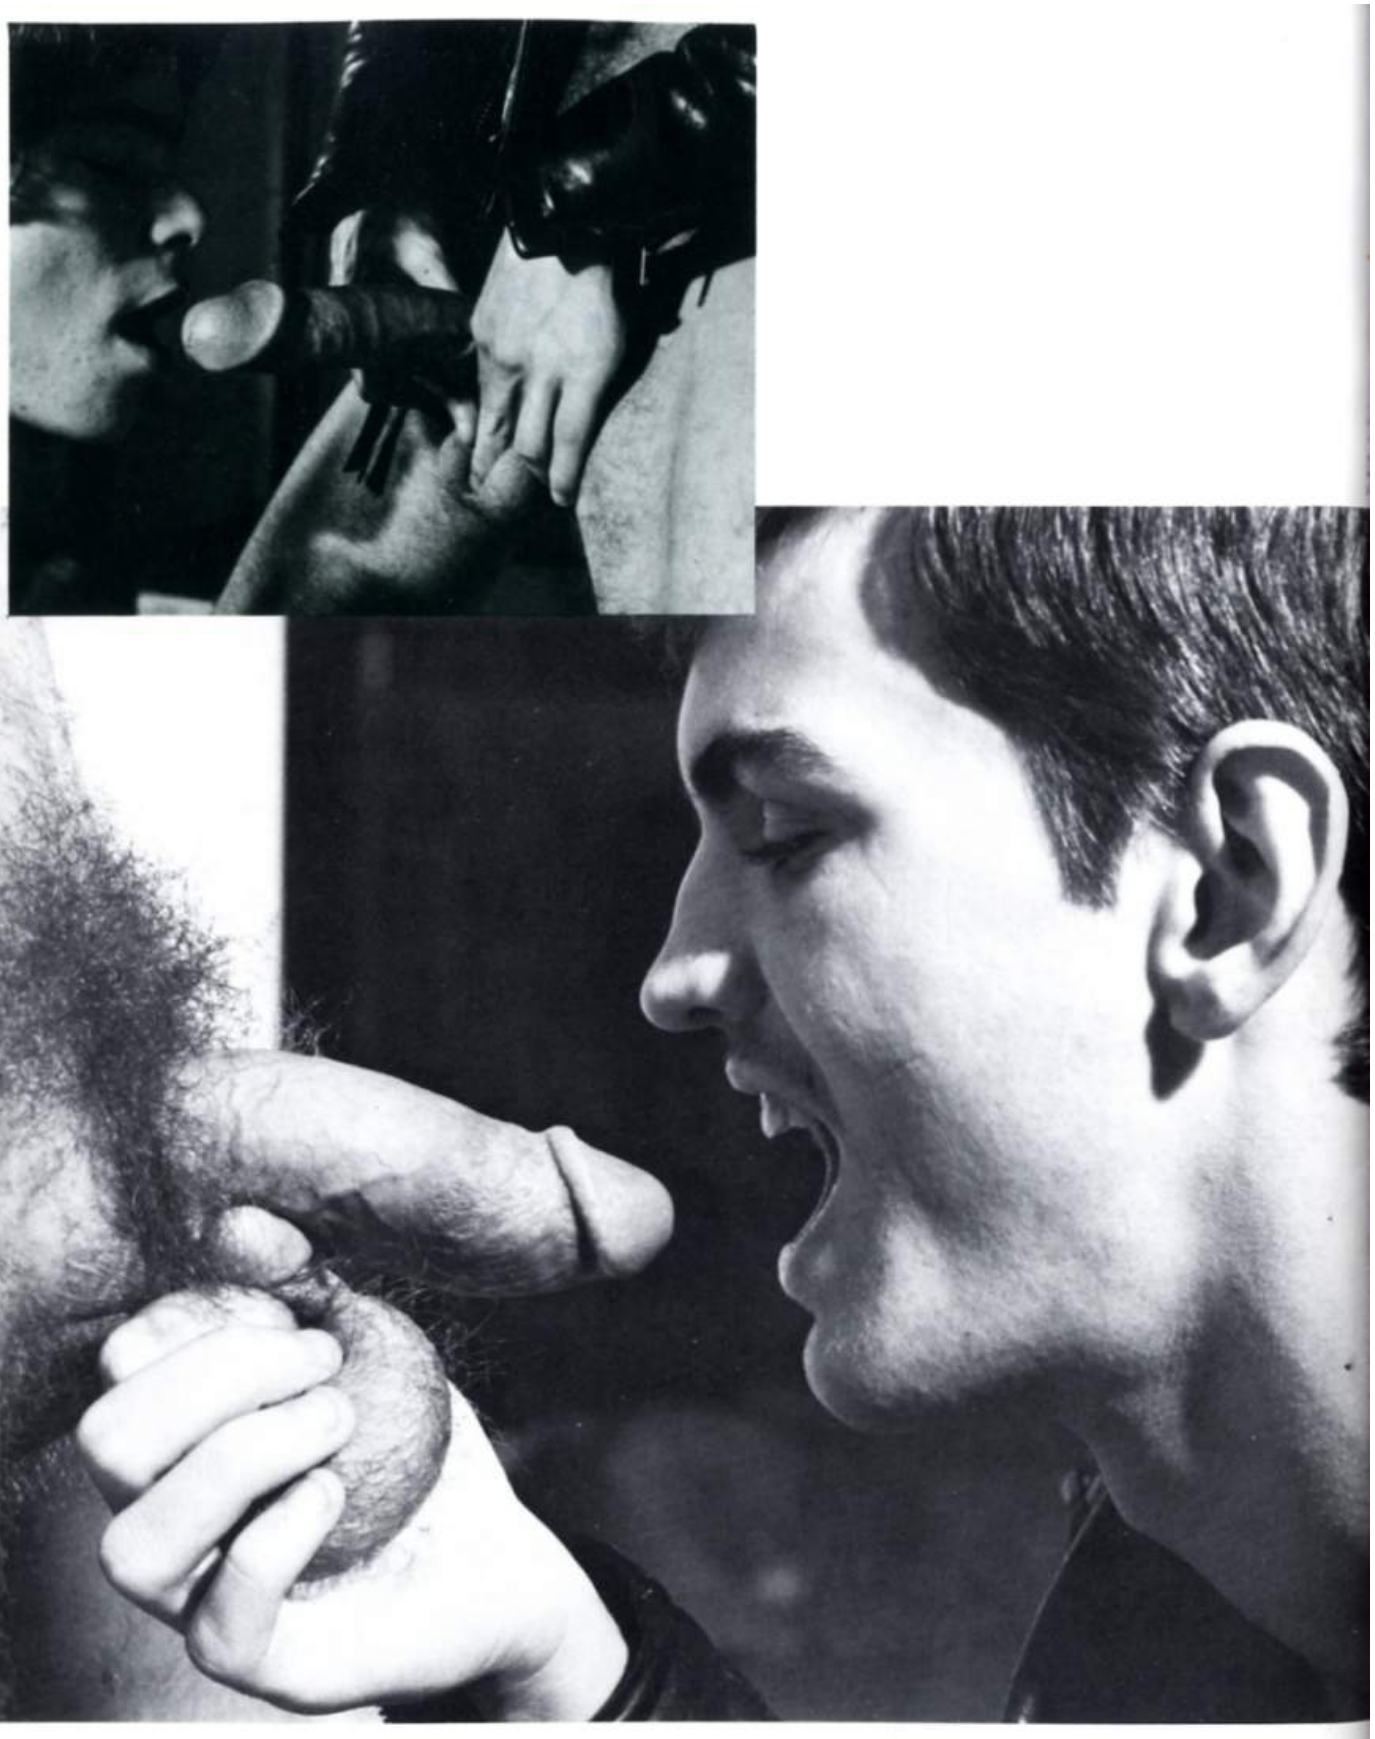


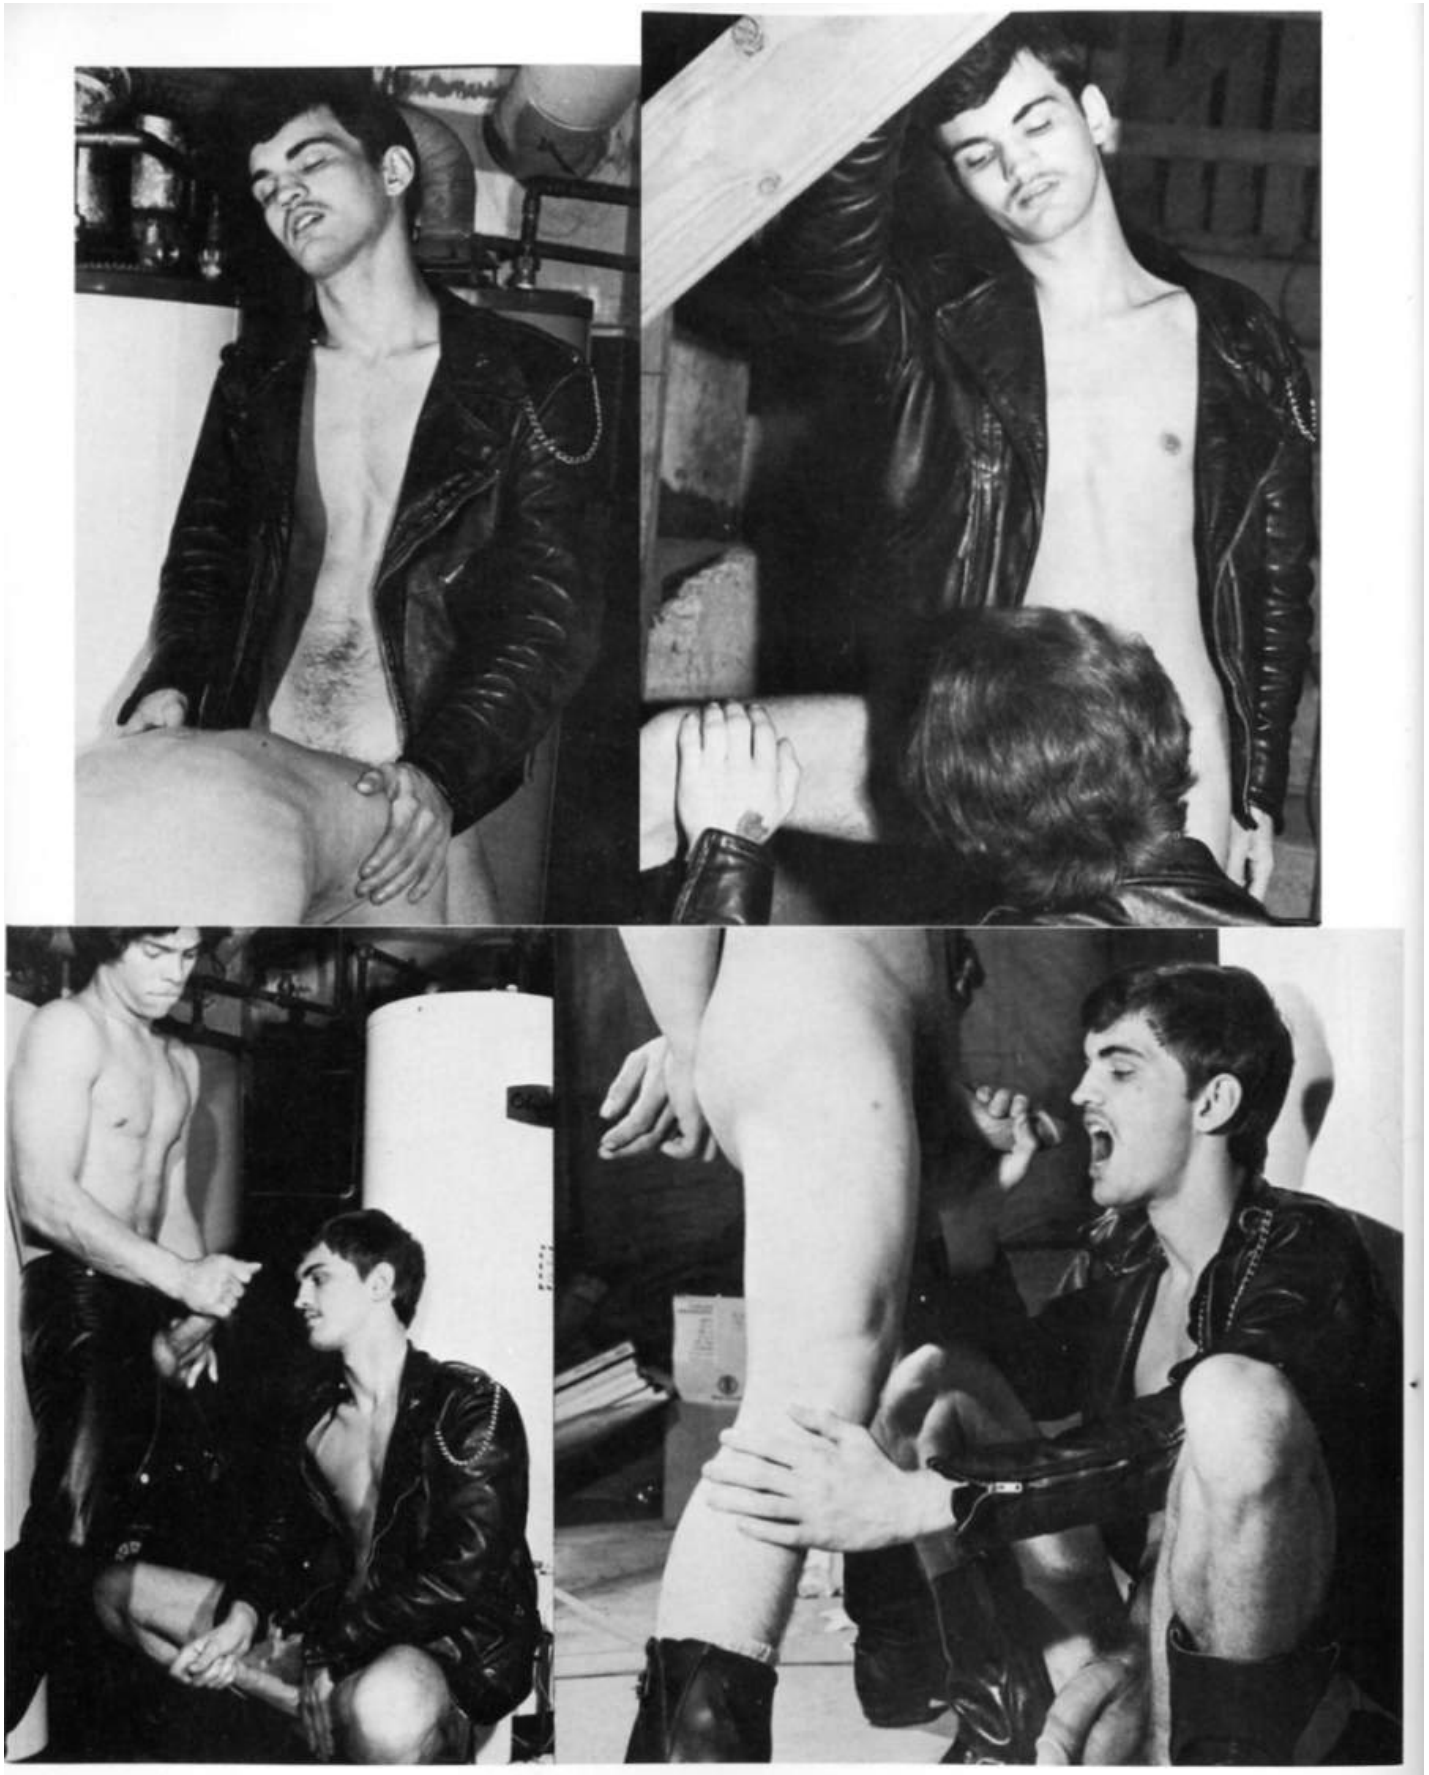




The second set of pics show how Big Luke, who never looses his 11 inch leather hard-on, discovers his match in a young, horny biker one hot afternoon. The action slips into heavy hi-gear as these two dudes start humpin' and pumpin'!







A. JAY'S MEN

We saved the best for last!!! For your extra horny enjoyment we present four bonus pages of new male erotic drawings by A.Jay, the famous cartoonist/illustrator, who helped put "Drummer" and his comic-hero, HARRY CHESS, on the map. If you're still horny as hell, this artwork is all you'll need for a dynamite explosion!!!
